

Worship Ministry Practical Information

Please take note of a few practical aspects regarding your service in the ECC Worship ministry:

1. Rehearsals

Rehearsals are as follows for those involved in a Sunday service:

Thursdays	18:45-21:00
Sundays	07:30 & 16:30

Full rehearsals are held occassionally where the entire team are required to be at rehearsal. These are scheduled on PCO

2. Planning Centre Online (PCO)

Upon acceptance into the ECC Worship Ministry, you will receive an instruction and login email from PCO. This system is used for all scheduling, songs charts and event management. It is important that you respond to all PCO emails requesting action, as well as check PCO regularly for changes.

Should you be scheduled for a service that you cannot be part of, it is your responsibility to swap with another team member and inform the worship leader on duty.

3. Dress Code

All members of the team are to dress appropriately. This means long pants for gents on stage with shirts that cover the belt area and are not low cut. For ladies, this means clothing that is not too tight, low cut, or skirts that are above the knees. Shoes are to be worn at all times on stage.

4. Equipment

You are responsible for your own musical equipment, and need to provide your own instrument. You are also to be in possession of good quality ear phones. Please note that the ear phones that came with your cell phone do *not* qualify as good quality earphones.

5. Sound Check

A instrument, vocal and monitor channel is provided for you. It is your responsibility to ensure you are “plugged in” *before* sound check starts at 6:45pm on a Thursday and 7:30am and 4:30pm on a Sunday.

6. Set Lists

Set lists are loaded by the Worship Leader onto PCO. As a singer/musician, it is your responsibility to check all the songs and prepare accordingly before the rehearsal. As a media operator, it is your responsibility to load the songs onto the computer and to check lyrics are correct.
